Less than 30 percent of ASA members join their state association, but we hope to **BEAT** that trend! The benefits of belonging to the state organization are many for the breeder and for the association. Among other things, individual breeders gain:

- *Camaraderie* with other Simmental breeders;
- *Education* through contact with other experienced and successful breeders; and
- *Marketing* help through listings in state directories and advertising opportunities.

In addition, Colorado members specifically receive:

- Free listing on CSA's web site: **www.coloradosimmental.com**
- Free listing and copy of the CSA membership directory;
- Notification by mail or email of regional Simmental and CSA projects throughout the year;
- Cost-share advertising/co-op marketing program participation, which allows breeders to tag their ranch information onto the big breed ads and stretch their marketing dollars; and
- Voting member at the CSA annual meeting, which allows your voice to be heard.

If you would like to become more involved in the destiny and decision-making regarding Simmental cattle, join Colorado Simmental Association.

For June 2012-May 2013, please complete and return the information below, along with your check, for:

- Active **adult** membership dues — individual or ranch — \$25.00
- Active **junior** membership dues — age 21 or under — \$10.00

Thanks in advance for joining or renewing your membership! Clip & return the **bottom** portion of this form.
