

# MORE MEANS MORE

More carcass weight, live weight, muscle,  
marbling and profit.

Simmental genetics offer all this and more of the  
traits your herd needs to stay profitable.

Backed by the most comprehensive beef cattle  
genetic database, the **American Simmental  
Association** offers commercial producers more  
selection and marketing tools than any other  
breed association.

All to strengthen your bottom line.

## STAND STRONG SIMMENTAL
